PROFESSIONAL EXPERIENCE

Sex Before the Internet - VICE TV

Video Editor

September 2022 - November 2022

- Constructed a 40 minute episode of archival interviews and motion graphics to create a visually compelling piece
- Operated in a fast-paced environment and met weekly deadlines
- Coordinated with various teams to ensure an organized process while editing
- Oversaw assistant editors workflows and helped adjust for smoother transitions of projects to editors

VICE News/VICE on Showtime

Assistant Editor

October 2020 - Present

- Assisted for various award winning news teams such as Vice News Tonight, Vice Digital, and Vice on Showtime
- Handled organization of footage, syncing multiple cameras and audio, exports for transcriptions and translation, stringouts/radio cuts, laying in subtitles, and QC/delivery of final pieces
- Created and laid in motion graphics (lower thirds, upper thirds, and headlines)
- Built episodes for Season 2 and finalized delivery by making adjustments to graphics and shot swaps

VICE on Showtime Seasons 3-4

Additional Editor

July 2022 and March 2023 - June 2023

- Assisted in cutting scenes for various episodes that reviewed by the Lead Editor
- Sourced music, selected archival footage, and took 10+ hours of footage into 3-4 minute scenes
- Corresponded with lead editor and producers during the process to maintain producers vision

Theory - Live at MTELUS - Atlantic Records/Warner Music Group

Video Editor/Colorist

April 2020 - June 2020

- Constructed a 30 minute live concert film using 2 hours of footage from 5 different cameras for the platinum selling artist "Theory of a Deadman."
- Handled organization of footage, syncing multiple cameras, cutting and piecing together 5 songs, coloring, and QC/delivery of piece.
- Communicated with the director and band members to ensure the highest quality video possible
